

DELL PRO HYBRID BRIEFCASE BACKPACK – PO1521HB

Eco-friendly & versatile design

ECO-FRIENDLY EVA PROTECTION

Durable and earth-friendly, this briefcase-cum-backpack is made from Dell's EcoLoop™ solution dyeing process¹. EVA foam cushioning built around the laptop offers shock resistance and anti-scratch lining provides added protection for your laptop.

3 WAYS TO CARRY

Versatile, you can easily convert and carry it as a backpack, shoulder bag or briefcase. Grab the top handles of the briefcase and be on the go or attach the removable strap to go hands-free as a shoulder bag. Tuck the shoulder straps away neatly to convert it to a backpack.

SMART STORAGE

A large main compartment has enough space to keep clothes for your overnight business trips. The document storage compartment, front and top exterior zipper pockets offer neat and easy access to your essentials. A dedicated portable charger pocket² lets you keep your Dell Notebook Power Bank Plus and conveniently charge your laptop in-bag via a cable pass through.

Features & Technical Specifications

EVA+

Added EVA foam cushioning built around the laptop vault keep your computing devices protected in case of impact.

EcoLoop™

Eco-friendly, water-resistant protective coating derived from reclaimed automobile windshields.

Convenient in-bag charging² when on-the-go.

Trolley strap for easy slot through of luggage handle.
